#### 46. Authorisations Committee

Contact name and details	The Revd Dr Andrew J Lunn
	Chair of the Authorisations Committee

- 1. The Authorisations Committee has reviewed applications from Circuits to authorise those who are not ordained as presbyters to preside at services of Holy Communion. Careful consideration was given to applications using the established criteria.
- 2. The Committee considered a total of 78 new applications (including renewals after three years): 22 presbyteral probationers, 2 deacons and 54 lay people. Seventy-three authorisations are recommended without further qualification to the 2017 Conference. Two diaconal applications were recommended due to exceptional circumstances. The Committee declined to recommend three lay applications on the grounds of not meeting the deprivation figure and/or not making best use of existing resources.
- 3. The Committee again had the opportunity to consider applications made under the missional criterion approved by the 2012 Conference. The Committee considered two applications for a renewal made under this criterion, one of which was approved and the other declined. The Committee will be requesting feedback from the Circuit granted an authorisation under the missional criterion.
- 4. Application forms are available for the authorisation of probationer presbyters, deacons, lay persons, missional applications and renewals after the three-year term. These will be available to District Chairs in October. Applications need to be considered by Circuit Meetings, District Policy Committees and Synods before submission.
- 5. In the case of applications for authorisations for deacons, these should only be submitted following a thorough consultation with the Warden of the Methodist Diaconal Order and on the basis that the Circuit will make every effort to train a lay person to take up the role the following year.
- All applications for consideration in 2018 should be submitted to the Conference Office by 11
   April 2018. The Committee will meet at the end of April 2018 to consider the applications
   received.
- 7. Authorisations, when granted, are for one year and their scope is limited to the Circuit in which the person resides. If the District Policy Committee is satisfied that the person authorised remains suitable and the circumstances of the Circuit have not changed, it may on the application of the Circuit Meeting recommend a renewal of the authorisation for a second or third year, and the Authorisations Committee supports any such recommendation without further investigation (see lists B and C below).
- 8. The Committee is planning to gather information about the current situation with regard to deprivation, given changes which have taken place on the ground, with particular reference to larger Circuits and Fresh Expressions. On this basis the Committee will begin work on the review of the current criteria for deprivation.
- 9. The Committee welcomes informal consultations with any Circuit considering making an application for an authorisation.
