

Singing the Faith

On behalf of the Music Resources Group, we would like to thank the many visitors to this website who responded to the hymn book survey published in November 2008.

Since that time, the group has worked very hard to produce a revised list of hymns and songs to be authorised by the Conference. Responses from all around the Connexion were carefully considered, including those from this website and *Methodist Recorder* readers, and more hymns and songs were added. 59 canticles and psalms will also be included, although there was insufficient space to list them here. We are delighted that the Faith & Order Committee has indicated that it will recommend the list for authorisation by the Conference.

This represents a major milestone in a journey that began in 2004 and is nearing completion. You can keep up to date with the progress of the hymn collection by joining the mailing list. Simply call Suzanne Johnson on 020 7467 5164 or email: johnsons@methodistchurch.org.uk.
